All POC members approved apart from Max Chacana, who abstained. 5. Discussion of Appeals Process for Applicants Not Recommended for Funding

Staff referred the POC to the memo included in their agenda packet that described the appeals process available to applicants not recommended for funding. In order to improve the appeals process to be more effective in meeting POC and community needs, staff recommended that the criteria for grounds for an appeal be revised. Discussion included revising and clarifying the conflict of interest and revising to allow the appeals process to be the venue to consider appeals based on values and perceived need of programming rather than only allow appeals based on an unfair process, material error, or identified conflict of interest.

Re: Update Regarding Approval of Five Additional Funding Awards for FY2019-2020 & Affirmation of Approval of \$50,000 Grant Award to Our Family Coalition for FY2019-2020

Executive Summary

On 07/17/2019 the POC approved five (5) new grant awards for FY2019-2020 totaling \$330,000. Awards were approved for the following programs:

- 1) Youth ALIVE! – Teens on Target Program - \$100,000
- 2) Lotus Bloom – School Readiness Playgroups - \$60,000
- 3) Oakland Public Education Fund – Youth Beat - \$60,000
- 4) Attitudinal Healing Connection – Community School for Creative Education - \$60,000
- 5) Our Family Coalition – Building Strong Children in LGBTQ Families - \$50,000

The POC had conditional approval for the grant award for Our Family Coalition. They approved the grant award on the condition that the program attend the next POC meeting, scheduled for September 4, 2019, to provide information on how they will use the funds and discuss how these additional funds will complement the \$200,000 awarded by City Council to the agency through the approval of the City of Oakland FY2019-2021 biennial budget.

OFCY will present a report to the Oakland City Council's Life Enrichment Committee (LEC) on September 10, 2019 to recommend council approval and adoption of the five awards, and will provide an update on regarding POC action taken on September 4, 2019 regarding the status of the award to Our Family Coalition.

Summary of the Five Additional Awards

1) Youth ALIVE! was approved for a grant award of \$100,000 to support the Teens on Target Program. The agency had provided a funding update to the POC to state that they had raised additional funds for the program and did not require \$133,018 from OFCY to fully support the program. The grant award of \$100,000 fully supports the remaining costs of the program as proposed.

2) Lotus Bloom was approved for a grant award of \$60,000 to support their programming at the San Antonio Family Resource Center as proposed in the School Readiness Playgroups grant application.

3) Youth Beat a fiscally-sponsored project administered by the **Oakland Public Education Fund**, was approved for a grant award of \$60,000. This is an increase in funding over their

FY2018-2019 award of \$51,500, and will allow the program to leverage additional funding and resources to work with hundreds of OUSD students annually.

4) Attitudinal Healing Connection was approved for a grant award of \$60,000 to provide comprehensive afterschool programming as lead agency at Community Schools for Creative Education.

5) POC approved a conditional grant award of \$50,000 to **Our Family Coalition**. The award was contingent upon the agency's attendance and participation at the September POC meeting to provide the committee with further information on how they will utilize the funds to meet the identified need for additional LGBT family support, and how the funds will expand services in light of the additional \$200,000 awarded to annually to the agency by City Council. The next POC meeting is scheduled for September 4, 2019 in advance of the LEC meeting of September 10, 2019 for approval of these new grant awards. OFCY staff will provide an oral update at the LEC meeting regarding POC action taken on September 4, 2019 in regards to the status of the grant to Our Family Coalition.

Staff Recommendation for POC Action

Staff requests that the POC affirm approval of the additional \$50,000 grant award to Our Family Coalition for FY2019-2020 based on their presentation to the committee on use of funds.

RECOMMENDATION

Staff Recommends (1) That The City Council Adopt A Resolution Authorizing The City Administrator To Negotiate And Execute Grant Agreements Between The City Of Oakland And Five Non-Profit Agencies To Provide Direct Services For Children And Youth In An Amount Not To Exceed \$330,000 For Fiscal Year 2019-2020, With An Option To Approve One-Year Grant Renewals In Fiscal Years 2020-2021 And 2021-2022 Pending Council Approval, And (2) Add A 1.0 Full Time Employee (FTE) Position In The Human Services Department To Provide Grant Administration Services.

EXECUTIVE SUMMARY

The proposed resolution authorizes grant agreements for five programs recommended for funding by the Oakland Fund for Children and Youth (OFCY) Planning and Oversight Committee (POC) in the amount of \$330,000 for Fiscal Year (FY) 2019-2020. The POC's recommendation for year-round programming was approved by the Oakland City Council on June 18, 2019 with direction to the POC to submit additional awards. The POC is recommending an additional five grant awards to Lotus Bloom, Our Family Coalition, Youth Alive, Youth Beat and Attitudinal Healing Connection to address priority areas identified by City Council, for a total of 154 program grants totaling \$19,844,772 in annual funding for FY 2019-2020, renewable with City Council approval.

BACKGROUND / LEGISLATIVE HISTORY

At the Life Enrichment Committee meeting of June 11, 2019, the POC was asked to submit recommendations for additional grant awards from the OFCY FY 2019-2022 Request for Proposal (RFP) based on the potential funds available from a projected increase in revenue or "true-up" adjustment for FY 2018-2019.

Item: _____
Life Enrichment Committee
September 10, 2019

The Kids First! Oakland Fund for Children and Youth Amendment to the Oakland City Charter. requires that three percent (3%) of general purpose funds be set aside as annual revenues, along with interest accrued and any unspent funds from prior years, and appropriated to the Fund. Ninety percent (90%) of the Fund is made available for grants to non-profit and public agencies to address the well-being of Oakland children and youth from birth through age 21. Ten percent (10%) is available for administration and evaluation.

The POC is composed of eight (8) youth and nine (9) adult members and is responsible for the selection of a recommended grants package for City Council's approval through an open and fair application process or Request for Proposal (RFP) process, based on the priorities identified in the approved OFCY Strategic Investment Plan.

The OFCY RFP resulted in 259 grant applications with requests totaling over \$36 million. For FY 2019-2020, the POC's recommendation for 12 summer youth development and employment grants was approved by the City Council on May 7, 2019. The recommendation for 137 grant awards for FY 2019-2020 was approved by the Oakland City Council on June 18, 2019 (Resolution No. 87753 C.M.S.).

At the Life Enrichment Committee meeting of June 11, 2019, the Committee identified as funding priorities for additional grants support for violence prevention programming: support for Lesbian, Gay, Bisexual, Transgender (LGBT) families; support for programs that are already established, have momentum, and would leverage other resources; and support for programs in underserved communities that are neighborhood or ethnic specific.

ANALYSIS AND POLICY ALTERNATIVES

The Council approved a total of 149 OFCY awards totaling \$19.5 million annually based on the POC's review and selection process for the OFCY FY 2019-2022 RFP. The three year grant cycle renewal of grant awards for FY 2020-2021 and FY 2021-2022 should the Kids First Amendment be reauthorized.

At its meeting in June 2019, the POC received an update on the City Council's motion requesting additional recommendations based on additional funding of \$1.24 million projected by the Finance Department as a pending adjustment to increase the revenue allocation for Kids First for FY 2018-2019. Ninety percent (90%) of the funds, or \$1.1 million will be available beginning in FY 2020-2021 if the revenue adjustment or "true-up" is included in the next Midcycle Budget. Since grants are approved for the three years, this one-time true-up amount supports additional awards of \$366,000 annually.

OFCY's annual grant level is set based on both annual funding and the spend down of carryforward available from prior years revenue. For FY 2019-2020 and FY 2020-2021, there is sufficient carryforward from prior years to supplement the annual revenue approved in the FY 2019-2021 Adopted Budget and fund the new grant level of \$19,844,772. The FY 2021-2022 revenues are unknown. If the annual revenue in FY 2021-2022 is insufficient to sustain \$19.8 million in funding, a gap in funds available may require a measure to reduce the award amounts across all OFCY grants. The increase in the total award level from \$19.5 million to \$19.8 million

based on the pending revenue adjustment for FY 2018-2019 results in fewer dollars available from carryforward funds for FY 2021-2022.

Allocation of Additional Grant Awards

At the meeting of July 17, 2019, the POC approved awards for five additional programs based on the review of the programs the POC during the OFCY FY 2019-2022 RFP review and selection process as deserving of funding consideration if additional funds were available, consideration of the priorities of City Council as stated at the June 11, 2019 LE Committee meeting, and input received from the public at its regular meetings. The POC approved a motion to provide grant funding totaling \$330,000 annually in FY 2019-2020 to five programs:

- Youth ALIVE! – Teens on Target Program - \$100,000
- Lotus Bloom – School Readiness Playgroups - \$60,000
- Oakland Public Education Fund – Youth Beat - \$60,000
- Attitudinal Healing Connection – Community School for Creative Education - \$60,000
- Our Family Coalition – Building Strong Children in LGBTQ Families - \$50,000

Youth ALIVE! is recommended to provide violence prevention programming in East Oakland for the Teens on Target program. Lotus Bloom is recommended to provide playgroup programming for underserved families at the San Antonio Family Resource Center at Garfield Elementary school. Youth Beat, a fiscally-sponsored program of the Oakland Public Education Fund, is recommended as a program with established momentum that leverages other resources to support Oakland Unified School District (OUSD) students. Attitudinal Healing Connection is recommended by POC to provide comprehensive afterschool programming at the Community School for Creative Education, located in District 2, to reach an underserved community.

Our Family Coalition (OFC) is recommended for a program grant to provide early learning, family engagement, and parent education programming for Oakland LGBT families. The agency was approved for a two year grant of \$200,000 annually from the general purpose fund in the FY 2019-2021 Adopted Budget. The POC approved the OFCY grant of \$50,000 and requested presentation from the OFC at the September meeting of the POC.

Due to the volume of OFCY grants, staff is recommending the addition of one (1) Full-Time Employee (FTE) for a limited duration of three years in the Program Analyst II classification in the Human Services Department to provide needed resources for grant administration. Currently OFCY administration includes three (3) FTE dedicated to contract negotiations and execution, grant management and reporting, invoicing and payment, and site monitoring and support needed to ensure effective training, reporting and evaluation, and quality delivery of service for children and youth. The ratio of grants to staff is already 50 to 1. With the addition of five (5) awards and a new high total of 154 grant awards, the existing workload on staff prohibits the level of monitoring and review needed to meet City standards. The addition of one Program Analyst II is needed to effectively protect the City's investments in children and youth through OFCY, and is fully covered through the annual allocation of 10% for OFCY administration.

Policy Alternatives

Alternative #1	The City Council may reject the recommendation to approve five additional OFCY program grant awards.
Pro	Rejection results in additional funds available to sustain the approved grant awards in Year 3 of the OFCY cycle.
Con	Rejection of the funding recommendation results in reduced resources to address gaps in services for children, youth and their families.
Reason for Not Recommending	The five additional programs recommended for funding are aligned to the priorities identified by the POC and the City Council and consistent with the goals and strategies of the OFCY which serve children, youth and families.

FISCAL IMPACT

The total project cost of these grant agreements is \$330,000 for FY 2019-2020. Funds totaling \$330,000 will be available for these OFCY grants from the use of a portion of the unspent project balance located in Project 1003645 OFCY FY 2017-2018 Contract.

A breakdown of the project funding sources is as follows:

Fund Source	Organization	Account	Project	Program	Amount
(1780) - Oakland Fund for Children and Youth (OFCY) - Kids First Oakland Children's Fund (Project Carryforwards)	(78251) - Youth Services Organization	(54912) Services: Contract	(1003645) FY2017-2018 OFCY Contract	(YS04) - OFCY Program	\$330,000
Total Project:					\$330,000

There is no impact on the General Purpose Fund.

PUBLIC OUTREACH / INTEREST

The Planning and Oversight Committee noticed public meetings on June 20 and July 17, 2019 at Oakland City Hall to receive the input from the City Council and the public and to approve the recommendations for forwarding to Oakland City Council.

COORDINATION

This report and the proposed legislation have been reviewed by the Office of the City Attorney, Budget Bureau, and Contracts and Compliance Division of the City Administrator's Office.

PAST PERFORMANCE, EVALUATION AND FOLLOW-UP

The additional grant programs will be included in the annual evaluation by an independent consultant. The OFCY evaluation includes assessment of program quality and outcomes for children and youth. Program targets for youth enrollment, hours and duration of service, and types of activities are captured in the Cityspan grants management database and assessed in the annual evaluation process.

SUSTAINABLE OPPORTUNITIES

Economic: OFCY funding will provide employment opportunities through five agencies, four of which are Oakland-based, and all of which employ local staff and hire local consultants and have a positive economic impact. OFCY funds are used to leverage and match additional local, state, federal, and private philanthropic funds, bringing additional resources into Oakland.

Environmental: Proposals and supporting documentation for the OFCY FY 2019-2022 RFP were submitted entirely online, and no hard copies were required, greatly reducing the volume of paper submitted, environmental costs associated with the delivery of the applications, and reduction of current storage and future archiving needs.

Social Equity: OFCY prioritizes funding for services that reach youth and families with the greatest needs. Funding will support violence prevention programming in East Oakland, LGBTQ families, public school students, and underserved families in the San Antonio neighborhood. Programs are intended to provide children, youth and families that may not otherwise have the ability to participate in enriching, academically supportive, and socially engaging programming free of charge.

ACTION REQUESTED OF THE CITY COUNCIL

Staff Recommends (1) That The City Council Adopt A Resolution Authorizing The City Administrator To Negotiate And Execute Grant Agreements Between The City Of Oakland And Five Non-Profit Agencies To Provide Direct Services For Children And Youth In An Amount Not To Exceed \$330,000 For FY 2019-2020, With An Option To Approve One-Year Grant Renewals In FY 2020-2021 and FY 2021-2022 Pending Council Approval, And (2) Add A 1.0 Full Time Employee (FTE) Position In The Human Services Department To Provide Grant Administration Services.
