### FOR YOUTH, PARENTS, PROVIDERS, AND CONCERNED RESIDENTS OF OAKLAND

These events are designed to give the community a voice in the creation of funding strategies to support Oakland's children and youth. Help the City identify the issues, strengths, challenges and successes to create strategies that help OFCY to achieve its vision that "All children and youth in Oakland will thrive and have the support of the entire community to lead safe, healthy and productive lives."

The new strategic plan for 2019-2022 will help direct approximately \$16,000,000 a year to support children and youth programming in Oakland. Help make a strong plan in support of Oakland's young people.

There will be food & refreshments available, as well as child care.
