Funding for 2019-2022: **Community Meeting on Strategies**

OFCY is working on the next Strategic Investment Plan for 2019-2022, which will provide approximately \$50,000,000 over the three years to support programming for Oakland's children and youth from birth to 21 years of age.

OFCY is hosting a community event at Oakland City Hall to share draft funding strategies for 2019-2022 with the public. The event is an opportunity for community members to review the strategies which will lead the investment during the next three-year funding cycle and provide feedback.

Food & refreshments will be available.
