Annual Grant Funding: \$117,500

The Oakland WIC Father Cafes Program will serve ~300 low-income fathers of children, ages 0-5, who are enrolled in the Alameda County Women, Infants, and Children Supplemental Nutrition program (WIC). Participants in bi-weekly Father Cafes--facilitated peer-to-peer support groups at WIC sites at Telegraph and Eastmont Mall--will develop parenting skills and knowledge to support their child's development and the co-parenting relationship with their partners. The program promotes fatherhood responsibility, resulting in healthy development for young children and improved kindergarten readiness.

The Summer Pre-K (SPK) program is a 4-week school readiness program serving 18 children in 6 classrooms in priority neighborhoods. SPK is designed for incoming Kindergarten/TK students with minimal to no preschool experience, with priority enrollment for refugee and newcomer students. SPK provides children with an opportunity to prepare for kindergarten through social and emotional learning, as well as pre-academics; skills necessary for school success. SPK has a parent engagement component to increase family supports and access to services related to kindergarten readiness and child wellness.

Oakland’s LGBTQ families face multiple obstacles to the healthy development of their children-disproportionate financial barriers, lingering anti-gay stigma, and insufficient access to relevant information and resources, to name just a few. Building Strong Children in LGBTQ Families supports the healthy development of young children growing up in these families by providing parents and caregivers the supportive community, early childhood development knowledge, positive parenting skills training, access to resources, and leadership development they need to build and sustain resilience.

PJC's Pre-preschool employs a play-based approach to child development where parents and children grow and develop together in "Play-learn" Sessions for a maximum of 20 children per day, and an estimated number of 100 annually. Parent engagement is key to the success of children-both at home and at school! Our "walk-in" Play-learn Sessions are three hours and take place Tuesdays, Wednesdays, and Thursdays at the Prescott Joseph Center for Community Enhancement for Children 6-48 months of age attending with their parent or caregiver.

Strategy: Parent Engagement and Support

Annual Grant Funding: \$120,942

Refugee Transitions' Parent & Tot Initiative (PTI) is a culturally/linguistically responsive parent engagement program that will serve 150 newcomer parents of children 0-8, and 100 of their children ages 0-5. Services will be offered Monday-Friday. The RT program hub is at the Harbor House, located at 1811 11th Ave. PTI includes family engagement and parent education, early learning, and supportive services. Key outcomes: improved skills and knowledge for parents to successfully support their children's development in a new country; reduced social and linguistic isolation.
