

Agency **BANANAS, Inc**

Program **Healthy Havenscourt Early Care & Kinder Readiness Hub**

**End-of-Year Profile
FY2020-2021**

Strategy: Family Resource Centers

Annual Grant Funding: \$291,439

Create an Early Care & Education (ECE) Hub at the Lion Creek Crossings Family Resource Center (LCC FRC) for families of young children in the Havenscourt neighborhood. The Hub will provide onsite resources and services to support children’s healthy development and kinder-readiness so they will succeed and thrive in school and life. Services include child care and family services navigation, curriculum-based parent-child playgroups, a Parent University, family engagement, PreK activities and a parent leadership group. We envision the Hub supporting 620 children birth to 5 and 1,835 caregivers.

Program Score Card

These select performance measures were identified by program staff, OFCY and the evaluation team as indicative of programs’ quality and success in working towards the strategic objectives for the Parent Engagement and Support strategy.

Agency **Lincoln**

Program **New Highland Academy and Rise Community School (NH/R)**

**End-of-Year Profile
FY2020-2021**

Strategy: Family Resource Centers

Annual Grant Funding: \$93,887

Lincoln’s Family Resource Center (FRC) at the joint OUSD elementary campus of New Highland Academy and Rise Community School (NH/R) in East Oakland will provide early literacy, academic support, parenting classes, and other support services for children and their families. Many of the 280 predominantly Latinx and African American families served by the FRC annually have experienced violence and other traumatic experiences. The FRC’s purpose is to build on families’ strengths and develop their capacity to support their children’s healthy development and readiness for and success in school.

Agency Lotus Bloom

Program Multicultural Family Resource Centers

End-of-Year Profile
FY2020-2021

Strategy: Family Resource Centers

Annual Grant Funding: \$363,998

Lotus Bloom(LB) will operate two multicultural family resource centers for families with children under 5 who face barriers to quality early learning opportunities at Room to Bloom located in the Castlemont neighborhood and at LB located in the Uptown neighborhood. Programs offered include parent-child playgroups, case management, field trips, community building, and parent leadership opportunities. LB programs bring families out of isolation to foster parental resilience and social connection with concrete assistance in times of need to support the social emotional competence of the children.

Agency Lotus Bloom

Program School Readiness Playgroups

End-of-Year Profile
FY2020-2021

Strategy: Family Resource Centers

Annual Grant Funding: \$60,000

Lotus Bloom’s School Readiness Playgroups are designed to bring families out of isolation and engage the entire family in child development focused activities, provide parenting support, early screenings and referrals, and help support parents and children to develop kindergarten readiness. The School Readiness Playgroups are located at Allendale and Garfield Elementary Schools. The Playgroups serve as a pipeline into the school’s Child Developmental Centers, Transitional Kindergarten, Kindergarten classrooms, and Full-Service Community School Model resources.

Program Score Card

These select performance measures were identified by program staff, OFCY and the evaluation team as indicative of programs’ quality and success in working towards the strategic objectives for the Parent Engagement and Support strategy.

Program Achievements: How much did we do?

Number of Children Served: 27	Total Hours of Service Provided: 1,337
Number of Adults Served: 128	Average Hours of per Participant: 9

Program Performance and Quality: How well did we do it?

<u>Progress Toward Projected Enrollment and Attendance</u>		Strategy Average
Progress towards projected number of children served	34%	70%
Progress towards projected number of adults served	171%	117%
Progress towards average hours of service per participant	317%	247%
Progress towards projected hours of service	317%	200%

<u>Percent of Parents/Caregivers in Agreement</u>		Strategy
Program staff help to make me feel comfortable and supported.	100%	97%
Program staff work well with families from different backgrounds.	100%	94%

Participant Outcomes: Is anyone better off?

<u>Percent of Parents/Caregivers in Agreement</u>		Strategy
This program connected me with other programs and resources that can help my family.	100%	95%
This program helped me to understand how to respond effectively when my child is upset.	100%	94%
This program taught me how to identify what my child needs.	86%	90%
