Zoom Chat

11:05:48 From Minjie Liu, Alameda Health System : Comcast offers internet for \$9.95 per month for students if they receive free or reduce lunch, or if the family is low income and on government assistance. Website is: <https://www.internetessentials.com/>

11:05:49 From Mike Wetzel - OFCY : <https://www.careerhubus.com/free-demo-2/>

11:07:07 From Tsehayu : <https://hopin.to/>

11:08:10 From Asha - Mentoring & Medicine & Science (MIMS) : Zoom whiteboard

11:09:18 From Greg Cluster, OUSD Work Based Learning Coordinator : Google jam boards work on chrome books. Zoom whiteboard often doesn't work on chromebooks

11:11:55 From Greg Cluster, OUSD Work Based Learning Coordinator : We did big surveying on cameras-on/off. Here is data from Madison Park and Oakland High:

11:16:30 From Greg Cluster, OUSD Work Based Learning Coordinator : Student survey on the question of cameras from Oakland High and MPA: <https://docs.google.com/document/d/1-NttDLhprziP0246MIBhVgupvWJRIiUaaCAsvI2iU4o/edit?usp=sharing>

11:23:22 From Greg Cluster, OUSD Work Based Learning Coordinator : I have to say and ask... We need to get case counts down. If not, all our programs will fail to reach our most challenged kids, plus our local economy will tank as will all our funding. Is there anything our groups can do to help advocate for increased and faster testing capacity? Funding and distribution of funding / housing to help positive folks to self isolate? Get masking to happen? Do the county public health people on this call have ideas about how we can ADVOCATE? I feel like we are trying to nail shingles on a house that is burning down.

11:27:33 From Jessica Pitt, Alameda Health System : Regarding cameras on/off, I totally agree with Brooklyn that as a job readiness skill, it's essential to have cameras on. And, if in our case, we're providing stipends, we need a way to know whether students are actively participating.

11:29:46 From Tsehayu : I have another meeting to attend. Thanks everyone for your gems. Stay positive and balanced. Peace

11:29:59 From Savannah Rae (she/her) : savannah_rae@spra.com for all your OFCY eval questions :)
