Agency Name: Dads Evoking Change

Program: Dads Evoking Change

Annual Grant Funding: \$40,000

Program Summary: Dads Evoking Change (DEC) will provide a series of sessions that offer free parenting and legal guidance for parents seeking to positively co-parent their children. DEC will also coordinate child friendly events for under-resourced fathers and their families in Oakland. DEC will provide 20 children and 25 parents with opportunities to positively interact, confront past trauma/heal, and receive guidance from mental health and social service professionals. Parents will leave sessions with increased knowledge of their legal parental rights and co-parenting plans (time splits, healthcare decisions, school, support, etc) so that they do not necessarily need family law courts to intervene. This will strengthen parenting skills among Oakland parents and ultimately improve outcomes for Oakland’s children.
