OFCY INTRODUCTION

The Oakland Fund for Children and Youth (OFCY) is pleased to release the 2019-2022 Request for Proposals (RFP) to solicit program proposals from non-profit organizations and public agencies to provide services to children and youth in Oakland, California. We look forward to the opportunity to partner again with strong community agencies to best serve the needs of Oakland’s children and youth. This RFP covers the nine funding strategies outlined in the 2019-2022 Strategic Investment Plan, which can be found on OFCY’s website (www.ofcy.org).

All applicants are strongly encouraged to read the 2019-2022 Strategic Investment Plan in addition to this RFP before starting the application process.

Grants awarded through this RFP process will be for an initial one-year period, July 1, 2019 to June 30, 2020, which can be renewed up to two additional one-year periods contingent on past year’s grant performance and availability of funds. The total projected amount available for FY2019-2020 grant awards through this RFP is approximately $18 million annually.

OFCY seeks to award funds to programs and collaborations that propose to address the goals and objectives outlined in each of the nine funding strategy areas in order to best support children and youth from birth through twenty-one years of age in Oakland.

The Oakland Fund for Children and Youth

The Oakland Fund for Children & Youth (OFCY) was established in November 1996, when over three-fourths of Oakland voters expressed a powerful commitment to their children and youth by passing the Kids First! Initiative (Measure K). Oakland voters reauthorized funding for OFCY for another 12 years in July 2009 by passing Measure D. The revised provisions set aside 3% of the city’s General Purpose fund for services to children and youth to fulfill the four goals of Measure D:

1) Support the healthy development of young children
2) Help children and youth succeed in school and graduate high school
3) Prevent and reduce violence, crime & gang involvement among children and youth
4) Help youth transition to a productive adulthood

OFCY is guided by a 17-member Planning and Oversight Committee (POC) composed of adults and youth appointed by the Mayor and City Council. The POC oversees the annual grant-making process of the Fund, as well as the completion of a Strategic Plan every three years and the annual evaluation of OFCY. Over the last two decades, OFCY has distributed over $200 million in funding and has become a key institution in the provision of high-quality, free or low-cost services for children and youth in Oakland. More information is available online from the Oakland Fund for Children and Youth website at www.ofcy.org.
OFCY’s Vision, Mission and Values

OFCY’s investments are guided by its Vision, Mission and Values. Funding is directed to those communities that are most in need and most impacted by inequity; to providers and programming that operate from an asset-based youth development framework; and to partners that build on the resources in the greater Oakland community to serve and strengthen families. The OFCY vision, mission and values directed the development of funding strategies and will be considered by the Planning and Oversight Committee in the selection of new programming for the 2019-2022 funding cycle.

Vision: All children and youth in Oakland will thrive and have the support of the entire community to lead safe, healthy and productive lives.

Mission: To provide strategic funding to support Oakland’s children and youth from birth to 21 years of age to become healthy, happy, educated, engaged, powerful and loved community members.

Values:

- **Social and Economic Equity:** We value the vigorous promotion of equality, justice, and accountability and the concerted application of our resources toward those youth in greatest need.

- **Child and Youth Development:** We support efforts to promote the social, emotional, physical, cognitive, and spiritual development of children to instill individual and community pride and leadership.

- **Community and Collaboration:** We embrace the idea that by pooling our resources and working together, we can accomplish great things. We support strengthening families within our communities to make our children and our city strong.
The following chart provides a summary of projected allocations for all strategy areas, based on an estimated $18 million in total available grant funding for FY 2019-2020. For more comprehensive strategy summaries and guidelines, please refer to the Funding Strategies for FY2019-2022 section (pages 14-29) of the RFP and the 2019-2022 Strategic Investment Plan, which can be found on OFCY’s website (www.ofcy.org).

II. Application Process

Eligibility
An applicant must be either a public agency or be tax-exempt under section 501(c)(3) of the Internal Revenue Code. **For-profit agencies are not eligible for funding.** Applicants must upload an IRS statement certifying their organization’s nonprofit status under section 501(c)(3). To obtain this letter, call IRS at 1-877-829-5500 (Note: in some cases, it can take over two weeks to obtain this form).

Organizations (other than public agencies) that do not have 501(c)(3) status must apply using a fiscal sponsor. In this case, the fiscal sponsor is the applicant and, if a grant is awarded, would be the organization that contracts with the City of Oakland and is legally liable for all aspects of the contract including program implementation, fiscal management, and communication with the City regarding subcontractor or fiscal partner activities.

The fiscal sponsor would be expected and authorized to oversee and manage all aspects of the contract including finances; to monitor and implement program activities of subcontracting or partner agencies; to terminate contracts with subcontracting or fiscal partner agencies with the approval of the City, if necessary; and to assume full fiscal responsibility for the contract, subcontracts, and fiscal partnership. **A public agency must apply on its own behalf and may not use a fiscal sponsor.**

**TYPE OF APPLICANTS & NUMBER OF APPLICATIONS**

**Single Agency Applicant**
A Single Agency Applicant is one agency applying for OFCY funding. This applicant is also referred to as the lead agency and will be the agency that contracts with the City of Oakland. The lead agency applicant shall receive the majority of funds requested through the application. This Single or Lead Agency Application must have the fiscal and management capacity to support subcontractors (if applicable) by issuing payments in a timely and professional manner. Applicants in this category have an organizational budget over $350,000, not including the OFCY grant request. Eligible organizations must have completed at least one year of programming related to services described in the funding strategy for which they are seeking support by the time they apply to OFCY.

**Collaborative Applicants**
A Collaborative Applicant must consist of **three** or more agencies, each contributing substantial participation toward a mutual goal, and **at least two** of which are proposed to receive OFCY funds. Substantial participation includes providing direct services, planning and coordinating services, and having equal partnership in decision making around program design and implementation. No one agency should receive more than eighty percent (80%) of the funding. OFCY strongly encourages collaboration between private nonprofit and public entities to create and sustain partnerships that maximize the cost-effectiveness and quality of service delivery.
The **lead agency** of a collaborative will be the agency that contracts with the City of Oakland. Collaboratives must choose a lead agency that has the fiscal and management capacity to support the other partners or subcontractors by issuing payments in a timely and professional manner. All partners of a collaborative must have the capacity to provide services according to the activities submitted by the fiscal sponsor for the collaborative.

The collaborative should examine how the involvement of other partners will be best coordinated within the model. **OFCY will not consider lead agencies that act simply as a fiscal pass through.** All agencies, schools, and/or program sites must be active parts of program implementation.

**Small and Emerging Applicants**
The Small and Emerging designation focuses on smaller organizations and assists new grass root organizations to be funded by OFCY. Eligible small and emerging organizations must have completed at least one year of programming related to services described in the funding strategy for which they are seeking support by the time they apply to OFCY. They may have recently received their 501(c)(3) status, after having been fiscally sponsored. If the organization does not have a 501(c)(3) status, it must apply using a fiscal sponsor. If the organization has 501(c)(3) status, it may still choose to use a fiscal sponsor.

If the organizational budget is under $350,000 in the current or most recent fiscal year and the organization has never received OFCY funding, it must apply as a Small and Emerging Applicant. However, if the organization is a current OFCY grantee in good standing and has a budget under $350,000, it may choose to apply as a single agency applicant. All conditions (i.e. total request % of organizational budget, match requirements, indirect rate and grant limits) pertaining to the single agency applicant apply, including the requirement of having recently audited financial statements available.

**Number of Applications**
An agency can submit more than one proposal requesting funding, as long as the proposals are requesting funding for programming that is substantially different. Substantially different programming is defined as having a different program design, staffing, program location, or target population receiving services.

Applicants may submit separate proposals for their own program and be part of a collaborative proposal, as long as the proposals are substantially different. Applicants may not receive funds as a single agency and as part of a collaborative for the same program.

Applicants may not submit the same proposal more than one time to different OFCY funding strategies. Select the most appropriate funding strategy that aligns to your program, and submit only one request proposal for the proposed program.
Funding Amounts

FUNDING PARAMETERS

Each grant award amount will depend on the frequency of service, the amount of service, the number of service sites, the number of children and families served, the proposed staffing, and the range and depth of expertise provided. Please use the following funding parameters as a guide to determine how much funding is appropriate and allowed.

Single Agency Applicant
- Single agency applicants may apply for between $25,000 and $200,000.
- No more than 15% may be allocated to indirect costs, calculated as a percentage of the total grant request.
- Agencies may submit more than one grant request. However, Single Agency Applicants must limit their total and/or combined OFCY request(s) to no more than 35% of their current year overall organizational budget excluding current OFCY funding.

Example: An organization with an annual budget of $500,000 could request one or more grants for a maximum OFCY funding of $175,000.

Collaborative Applicant
- Collaboratives may apply for between $50,000 and $400,000.
- No more than 15% may be allocated to indirect costs, calculated as a percentage of the total grant request.
- Agencies may submit more than one grant request. However, Collaboratives must limit their total and/or combined OFCY request(s) to no more than 35% of the lead agency’s current year overall organizational budgets excluding current OFCY funding.

Small and Emerging Applicants
- A Small and Emerging applicant request size must be between $25,000 and $100,000.
- No more than 20% may be allocated to indirect costs, calculated as a percentage of the total grant request.
- Agencies may submit more than one grant request. However, Small and Emerging Applicants must limit their total and/or combined OFCY requests to no more than 50% of their overall organizational budget.

Example: An organization with an annual budget of $150,000 could request one or more grants for a maximum OFCY funding of $75,000.

Audited Financial Statements

All Audited Financial Statements must be from within the past two years. If an Applicant is a public agency, other than the City of Oakland, the applicant must submit proof of the existence of an independent single audit. If applying with a fiscal sponsor, applicant must submit fiscal sponsor’s audited financial statements.

If your agency is in the process of obtaining your audited financial statements, but the audit and financial statements will not be complete before the grant deadline, you will be able to submit proof of a contract with a Certified Public Accountant as part of your application submission. In the Agency Information section of the proposal, provide a copy of your contract or engagement letter with a CPA as proof that an audit of your agency will conducted, and include the expected date of completion as part of proof. All audited financial statements must be completed and delivered to OFCY by June 30, 2019 (both hard copy and electronic copy via email).

USE OF FUNDS

1) The proposed program must provide **direct services** to children and youth from birth through 21 years of age who live in Oakland. Programs applying for funding through the Early Childhood strategies of Parent Engagement and Support, Family Resource Centers, or Socioemotional Well-Being in Preschool and Early Childhood Education Settings must provide services to parents or caregivers of children residing in Oakland.

2) Funds may **NOT** be used for:
   - Any service that merely benefits children and youth incidentally.
   - Acquisition of any capital item not for primary and direct use by children and youth.
   - Acquisition, other than by lease for a term of 12 months or less, of any real property.
- Maintenance, utilities, or similar operating costs of a facility not used primarily and directly by children and youth (e.g., costs associated with an off-site office or location).
- Any service for which state or federal law mandates a fixed or minimum level of expenditure, to the extent of the fixed or minimum level of expenditures.
- Housing costs
- Child care slots
- Religious worship, instruction, or proselytization (recruiting someone to join one’s religion or faith).

3) OFCY does **NOT** spend limited resources supplanting services that should be provided by school or other public funds.

**MATCHING FUNDS**

1) Matching Funds refers to all program funding above the OFCY award that are necessary to provide the services at the proposed levels. Proposals must demonstrate, and if awarded will be held accountable for, raising and documenting funding that equals at least 25% of the OFCY grant award as a program match. This minimum 25% match of OFCY program funding must be a cash match and must support the costs of the proposed program.

**Example:** An organization is seeking $100,000 from OFCY to run a youth program. If awarded a $100,000 grant from OFCY, the organization would be held accountable for raising and documenting a minimum of 25% match of the grant award amount, which is $25,000.

2) Grantees may **NOT** use one OFCY grant as a match for another.

3) School site facility or regular school costs, such as “head of school”, may not be used as match for an OFCY proposed program.

**FUNDING PERIOD**

This RFP represents a three-year grant cycle. The initial contract is for a one year period (July 1, 2019 through June 30, 2020) with the option to renew for two additional one-year periods based on fund balance, satisfactory evaluation, grant monitoring reports, and overall grant performance. The second and third grant period will run from July 1, 2020 through June 30, 2021; and from July 1, 2021 through June 30, 2022. It is the intention of OFCY that programs operating solely during the summer months will have a contract start date of June 1, 2019. Selected applicants will not receive their first disbursement of funds until they submit all required contract documents. After all contract documents are received it takes 6-8 weeks before the contract is executed. Additionally, any open contracts, invoices, or reports that remain from any previous fiscal year must be closed before selected applicants may receive their first disbursement of grant funds.

III. Funding Strategies for FY2019-2022

OFCY funding strategies were developed through an extensive community process in 2017-2018, and are detailed in the OFCY FY2019-2022 Strategic Investment Plan. The 2019–2022 funding strategies are built on OFCY’s long history of supporting key services in the community and reflect current concerns and realities for Oakland’s children and youth. The following strategies were developed based on input gathered during the community engagement process, research that supports these strategies as important interventions, and OFCY’s own evaluation of its programming and providers.

Priority Populations
OFCY is a citywide fund with the vision that all children and youth in Oakland will thrive and have the support of the entire community to lead safe, healthy and productive lives. The mission is to provide strategic funding to support Oakland’s children and youth from birth to 21 years of age to become healthy, happy, educated, engaged, powerful and loved community members.

A guiding value for the Fund is Social and Economic Equity, and the intention to direct resources towards those youth in greatest need. Over the years and through the latest strategic planning process, OFCY has identified specific populations to prioritize for support based on inequities in outcomes and need. The Fund seeks to support programs through the nine funding strategies that effectively engage and provide services to specific populations that face the greatest disparities in positive outcomes, with an intentional focus on addressing racial equity. African American children, youth and families are identified as a priority population for services, and Latino, Native American, and Asian/ Pacific Islander children, youth and families are identified for services through the strategies to achieve positive outcomes at different ages and stages. More information on priority populations is provided within the description of each funding strategy in the following section.
Priority Geographies

OFCY seeks to support programming and services that reaches children and youth with the greatest needs in their neighborhoods, communities, and schools. Current data indicates that Oakland children, youth, and families reside in greater numbers in West Oakland, Central Oakland/ Fruitvale District, and have the highest concentration in East Oakland.

Neighborhoods in West, Central, and East Oakland located below the 580 freeway are home to more households with lower median household incomes than households located in North Oakland and in the Oakland hills, indicating a greater need for resources for children and families residing in the flatland neighborhoods.

These neighborhoods also face higher levels of environmental stress and experience higher rates of violent crime, have higher rates of unemployment, experience lower air quality, and have limited access to fresh food.

Oakland Unified School District has monitored the environmental stress in neighborhoods and have identified schools that operate in communities that face disproportionate outcomes. OFCY seeks to support programming at schools that face higher levels of environmental stress and programs that serve children and youth that attend schools with higher levels of environmental stress, recognizing that schools are key institutions engaging with children and families from the early years through to young adulthood.
Shared Goals for Children and Youth

As a unique City of Oakland investment, OFCY’s funding has impact through the direct services provided by nonprofit providers and through strategic alignment with other system and funding initiatives working toward community-wide goals for the well-being of Oakland’s children. These goals include that families are supported in their children’s health and development; children are able to attend quality preschool and are ready for kindergarten; school-aged children have safe places to go after school and in the summer for expanded learning and enrichment; youth experience positive outcomes and benefit from positive youth development programming and reduced risk of exposure to violence; and that older youth are supported in their goals for learning, including high school graduation and progress toward postsecondary education, and have opportunities for career exposure and employment in the transition to adulthood.

OFCY’s strategies support collaborative efforts by focusing resources on the social and emotional well-being of children and youth; creating safe spaces for children, youth and families; funding more programming to support youth’s healing, learning, enrichment, leadership development and employment opportunities; and by strengthening communities through building provider capacity to deliver services that affirm the cultures, worth and dignity of all children, youth, and families in Oakland.

OFCY funding addresses these goals from within an equity framework aligned with system partners and key stakeholders through a process of community engagement that supports the overall vision that all children and youth will thrive.

- kindergarten readiness
- school attendance
- 3rd grade literacy
- opportunities for youth development, learning, and enrichment
- high school graduation
- juvenile arrest rate
- youth summer employment
- youth employment particularly for opportunity youth
EARLY CHILDHOOD STRATEGIES

OFCY’s investments in early childhood programming support young children from birth to 8 years of age. Recognizing that the earliest years of life are critical to the healthy physical, socio-emotional, and cognitive development of young children, OFCY supports programs that engage parents, families and caregivers to provide a caring and supportive foundation for positive growth.

1) Parent Engagement and Support

OFCY will support programs that strengthen the capacity of parents and caregivers for the healthy development of their children through services offered in community-based settings. The strategy and supported programming is aligned with the family engagement initiatives of Oakland Head Start, First 5 of Alameda County, OUSD, Alameda County and community organizations across Oakland. Community members emphasized the need for safe spaces and quality family support services, especially in high-need neighborhoods and communities.

Supported programming

OFCY will support programs that provide family engagement activities that promote attachment and positive parent-child interactions, and provide family supports that are linguistically and culturally competent. Desired activities include playgroups, parent-child activities, and early literacy efforts. Programming to be supported also includes workshops and parent engagement services, parent leadership and community engagement opportunities, home visits, peer connection, and family supportive services such as navigation.

Priority populations

Parents and caregivers with young children, birth to age 8. Prioritization for low-income families, African American and Latinx parents, immigrants and refugees, and for services in neighborhoods with higher percentages of children and families—especially families with children living in poverty.

Intended impact

Supported programming will help parents and caregivers through:

- Increased knowledge of child development
- Improved skills to support academic and socioemotional development
- Increased family involvement
- Increased confidence in managing children’s behavior
- Increased access to resources and support

Programming will support the citywide goal of increasing the percentage of young children who are ready for kindergarten success.
2) Family Resource Centers

OFCY will invest in expanding community use of and access to Family Resources Centers (FRCs). FRCs will be welcoming centers in the community that offer comprehensive services and a range of activities and opportunities to meet the needs of families where they live to support the healthy development and learning of young children. The strategy seeks to increase investment in neighborhood-based programming to coordinate and strengthen the growing network of FRCs in Oakland.

Supported programming

Neighborhood-based Family Resource Center funding will support comprehensive programming in support of children and families. OFCY looks to support collaborative efforts for coordinated services at specific Family Resource Centers that is grounded in the principles of family support and uses the Strengthening Families/Protective Factors Framework, and that explicitly provide the core set of services including family navigation, parent education and support, and early childhood playgroups. Additional services to be offered may include food and clothing assistance; healthcare benefits assistance; health and wellness workshops; developmental screenings for children; parent and caregiver workshops; parent leadership and engagement opportunities; computer access; literacy workshops; legal rights assistance services and classes; case management and linkages to resources; and culturally and linguistically responsive services in the neighborhood and larger community.

Priority populations

Family Resource Centers are intended to primarily serve parents and caregivers with young children, birth to age 8. OFCY will prioritize funding for programs that provide services of low-income families, African American and Latinx parents, immigrants, and refugees. OFCY is seeking programs that have services based in neighborhoods with higher percentages of families with children living in poverty and with a high density of families but which currently lack early childhood and family services and supports, particularly in East Oakland.

Intended impact

Programming will help parents and caregivers through:

- Increased access to resources and support
- Increased knowledge of child development
- Improved skills to support academic and socioemotional development
- Increased family involvement
- Increased parent leadership
- Increased access to mental health and trauma-informed care support services
- Increased confidence in managing children's behavior

Programming will support the citywide goal of increasing the percentage of young children who are ready for kindergarten success.
3) Socioemotional Well-Being in Early Childhood

OFCY funding through this strategy will connect consultants who are early childhood mental health professionals with early childhood education settings to build the capacity of teachers and families to promote the social, emotional, and behavioral health of children. Early childhood education consultants support preschool teachers on how to work with children who have high needs, respond appropriately to behavioral issues, and prevent, identify, and reduce the impact of trauma affecting mental health and developmental challenges among young children. Consultants are trained in trauma informed and culturally competent approach to partner with family members and caregivers to develop family-centered strategies to support the socio-emotional development of children. Partnering with OUSD Child Development Centers and Oakland Head Start sites, this strategy promotes quality preschool and early learning and supports children’s readiness for kindergarten.

Supported programming

OFCY will support programming that provides consultations from early childhood mental health professionals to early childhood educators and parents and caregivers of young children. Effective services will promote the effective integration of trauma-informed practices within early childhood settings. Activities may include development of individualized plans for children with early childhood educators and parents or caregivers, to address how to support the child in group settings and with the aim of strengthening the capacity of parents and early childhood educators to support children’s socioemotional development. Consultants will work with teachers, parents and caregivers to build linkages to community resources for special needs, mental health services, and individual therapy or treatment for young children. Programming may also include workshops, organization of social groups, and provision of educational resources for parents to help them understand developmental milestones and child behavior.

Priority populations

Services are intended to reach young children (ages 3–5), their families and caregivers, and early childhood educators through OUSD Child Development Centers and Oakland Head Start sites.

Intended impact

Supported programming will help parents, caregivers and early childhood educators through:

- Increased access to resources and support
- Increased knowledge of child development
- Improved skills to support academic and socioemotional development
- Increased access to mental health and trauma-informed care support services
- Increased confidence in managing children’s behavior

Programming will support the citywide goal of increasing the percentage of young children who are ready for kindergarten success.
STUDENT SUCCESS IN SCHOOL STRATEGIES

OFCY supports children and youth from kindergarten through eighth grade attending Oakland public schools by dedicating funding through two specific strategies. The Comprehensive Afterschool Programming supports high quality afterschool programs to provide children and youth with a safe, supportive, and enriching experiences from the time school ends to 6:00 pm every day. The Student Engagement and Success in Elementary and Middle School strategy seeks to support specific efforts to boost school attendance, literacy and numeracy, and participation in STEM/STEAM programming to support student’s development in early years to provide a strong foundation for continued success in high school and post-secondary years.

4) Comprehensive Afterschool Programming

OFCY seeks to fund a lead agency to coordinate comprehensive afterschool academic and enrichment activities at Oakland public elementary and middle school sites, which will serve as a single-point-of-access to programing for students in grades K-8. Investments complement state After-School Education & Safety Program (ASES) and federal 21st Century funding for school-based afterschool programming, and provide local funding to support high-quality and enriching programming at no or low cost. Afterschool funding is highly supportive of families with low income. The strategy will support programming at schools where 50% or more of the students qualify for free or reduced lunch rates. OFCY funding will also complement state and federal afterschool funding to provide sufficient resources to address staffing and program capacity needs at school sites that serve a higher number of students in their afterschool programs as evidenced by average daily attendance.

The lead agency will coordinate the after-school programming at each school site, including working with subcontractors to provide additional enrichment, academic, and supportive programming to students at the school. The lead agency will work in partnership with the school site leadership, the school district afterschool programs office, and OFCY to best support students. This strategy emphasizes the strong partnership between OUSD’s Community Schools and Student Services Department and OFCY around providing comprehensive academic and enrichment opportunities to youth in Oakland’s public elementary and middle schools that serve a majority of students who qualify for free and/or reduced lunch to increase positive youth development, educational outcomes, and enriching experiences.

Funding is intended to reduce costs of afterschool programming to reduce barriers to high quality enrichment and academic support for low income families by reducing the need for high program fees. Afterschool programs that receive state funding are required to allow participants who cannot afford fees to participate free of charge. OFCY’s complementary funding for these programs helps to reduce this barrier and provide resources that support low-income students.
OFCY funding is also intended to provide lead agencies with sufficient resources to hire, train, and retain quality afterschool staffing to meet average daily attendance benchmarks.

**Supported programming**

- OFCY funding will ensure that afterschool programs provide high-quality enrichment programming, such as music and arts, health and wellness, science and technology, and sports and recreation.
- Positive youth development and leadership opportunities that engage youth and recognize their strengths and assets.
- Programming that is designed to address the specific needs of children and youth at their age and stage, including providing increased leadership opportunities and diverse programming for students in later grades to develop their strengths and interests.
- Funds support academic and literacy programming as required by state and federal funding and as requested as a citywide need by parents, educators, and administrators.

**Priority populations**

Students in kindergarten through 8th grade attending Oakland public elementary and middle schools where more than half of the students qualify for free and/or reduced price meals. Priority enrollment should be for students that qualify for free or reduced price meals, youth experiencing homelessness, foster youth, and other students prioritized by OUSD for afterschool services. No students that qualify for free or reduced price meals should be expected to pay fees for participation in a program.

**Intended impact**

Comprehensive afterschool programs support elementary and middle school students by:

- Improving school-day attendance
- Reducing rates of chronic absenteeism
- Improving sense of school connectedness
- Increasing caring relationships with peers and adults.
- Providing expanded access to literacy, arts, technology, and other enrichment.

**Funding available**

Programs operating at public elementary school sites are eligible for base grant funding of $85,000. Programs operating at public middle school or K-8 sites are eligible for base grant funding of $100,000.

Programs that are able to clearly demonstrate their ability and capacity to serve over 100 students daily in programs are eligible to receive increased funding. This includes proof of recent management of state or federal afterschool funds for an average daily attendance expected over the course of a school year of 100 or more students, and successful recent past performance demonstrating that your program has been able to serve 100 or more students on
average daily over the course of a school year. Programs that serve over 100 students daily may request $95,000 for elementary sites and $110,000 for sites serving middle school-age students.

**Elementary Schools (K-5)**
- Base Grant Amount: **$85,000**
- Sites Serving 100 students or more on average per day: **$95,000**

**Middle Schools (including K-8 schools)**
- Base Grant Amount: **$100,000**
- Sites Serving 100 students in grades K-8 or more on average per day: **$110,000**
5) Student Engagement & Success in Elementary & Middle School

OFCY will support the academic achievement of elementary and middle school students through literacy and through science, technology, engineering, arts and math (STEAM) programming. Successful programming will specifically address student attachment to school, school-day attendance, and improved literacy and numeracy outcomes. While the strategy addresses disparities in academic outcomes, programming will be delivered through an asset-based, positive youth development approach that provides students with interesting and enriching activities in a safe and supportive environment. Programming that is delivered at school sites during will demonstrate effective coordination with the school leadership and with other entities responsible for school-site activities during school and out-of-school time hours.

Supported programming

Programs designed to improve attendance, school connectedness, and academic performance (literacy and numeracy). Programs can be delivered at community-based locations or school sites and should engage elementary and middle school students, along with their parents, in any or all of the following:

- Addressing attendance-related issues, such as chronic absences and/or suspensions.
- Offering programming to enhance and boost literacy or numeracy.
- Offering STEM/STEAM programming intended to inspire creativity, problem solving, experimentation and interest in STEM/STEAM fields.

Priority populations

Programs working with K–8 students who attend schools that are in East Oakland, Fruitvale, and West Oakland and that have high demonstrated need as evidenced by high levels of school environmental stress and higher rates of chronic absenteeism.

Intended impact

- Improved school-day attendance
- Reduced rates of chronic absenteeism
- Improved sense of school connectedness
- Improved grade-level literacy rates
- Improved grade-level numeracy rates
POSITIVE YOUTH DEVELOPMENT STRATEGIES

OFCY supports programs that build career awareness and provide employment support for older youth ages 14-21. Through career exploration, work readiness training, and employment, programs will provide youth with on-the-job experience, skill-building supports, and exposure to career options and pathways. This strategy will support year-round programs for students in school and for opportunity youth not connected to school or employment, and will support summer programs that are coordinated with broader city efforts to boost youth employment experiences during the summer school break. The strategy will support programs that incorporate financial literacy into their program design and provide participants with access to financial services and resources.

OFCY will support three models of programming:

- **High School Youth: Year-Round.** Programs for youth enrolled in high school that provide youth with career exposure, internship opportunities, and/or work experience during the school year and in summer months. Programming that focuses on helping youth learn about various occupations and industry sectors as well as acquire real, on-the-job experience as a means of encouraging and motivating students to complete high school and pursue postsecondary training. Applicants must be able to obtain the required work permits for all Oakland students under 18 years of age employed during the school year or in the summer. The OWDB will review proposals submitted through this sub-strategy for additional funding consideration. The OWDB and may request additional information from applicants prior to their summer employment funding determinations.

Note: if your agency is interested in participating in the Oakland Summer Youth Employment Program and receiving funding distributed through the OWDB, you must apply through the OFCY RFP in the Summer Youth Employment sub-strategy to be considered eligible for OWDB-distributed funding.

The questions in the Narrative section will vary depending upon the funding strategy selected. This section provides the questions for each of the funding strategies. For more information regarding scoring of the application, see the Evaluation of Proposals section on page 68.

**Tip:** OFCY recommends that programs first draft responses to the Narrative section in a word processing document, and then cut & paste completed responses into the Cityspan system. Be sure to review your submissions in Cityspan for accuracy, formatting, and character spacing.

Letter of Agreement Upload

For programs that are proposing services with a subcontractor, you will be prompted to upload a Letter of Agreement or Memorandum of Understanding for any organizations or individuals listed in the Subcontracts section of the Budget at the conclusion of the Narrative section.

Programs applying for funding under the **Comprehensive Afterschool Programs** strategy will upload their Letter of Agreement between the applicants, school site leadership, and the OUSD After School Programs Office. Programs applying for funding at charter school sites need to complete a letter of agreement with only the school site leadership.

All Letters of Agreement should include:

- Description of the nature, history and extent of the partnership including past successes and accomplishments of the partnership.
- Responsibilities of each party detailing administrative and operational duties including staffing, service delivery specifics, facility space, data management, evaluation, etc.
- Any funds being exchanged.
- Signature of director level person or someone who has the organizational authority to enter their respective organizations into an agreement.

¹ This point system applies only to the scoring of the narrative section. The OFCY Planning and Oversight Committee (POC) will use this score along with other criteria, including but not limited to service location, service to priority populations, strategic alignment, past performance, and reasonableness of budget and activities, when making funding recommendations.

Step 5: Demographics and Operations

Please estimate the total number of unique clients your program projects to enroll and serve during the period July 1, 2019 and June 30, 2020 if funded by OFCY. For programs operating only in summer, estimate for the period June 1, 2019 – August 31, 2019. If awarded OFCY funding, programs will be required to enroll all clients into the Cityspan database system. All individuals (youth and adults) enrolled as participants in the program will be required to provide First Name, Last Name, Date of Birth, Gender Identity, Race/Ethnicity, and residential Zip code to enter into Cityspan. Enrolled clients are required to provide (and their parent, guardian, or other legally authorized representative if a minor) a Release of Information Form giving consent to being entered and their participation tracked in Cityspan and agreeing to participate in an annual evaluation of the funded program by the City and/or its evaluation consultant.

TOTAL UNDUPLICATED YOUTH PARTICIPANTS

- Youth participants must be Oakland residents age 0-21.
- The totals of Race/Ethnicity, Ages to be Served, Gender Identity, Residential, and Dosage must each equal the Total Unduplicated Youth Participants.
- The Dosage table is a projection of how many hours of programming you expect each participant to receive in a program year.
- Do not include in your projections participants that only receive ancillary services such as sitting through a one-time workshop. Do not include projected number of participants reached in outreach efforts; outreach will not be tracked through Activities.

TOTAL UNDUPLICATED ADULT PARTICIPANTS

- Projections for Adult participants are for programs applying under Parent Engagement and Support, Family Resource Centers, and Socioemotional Well-Being in Preschool and Early Childhood Education Settings strategies.
- Adult participants must be parents or caregivers of children residing in Oakland.
- Do not include projected number of participants reached in outreach efforts; outreach will not be tracked through Activities.

For Socioemotional Well-Being in Preschool and Early Childhood Education Programs:

For Total Unduplicated Youth Participants, project the total unduplicated child participants that will benefit from mental health consultations at the proposed early childhood education sites or other locations receiving services.

PROGRAM OPERATIONS DATES

Provide information on the months that the program will be active, projected number of weeks the program will be active over the course of one year, and the projected days and hours of operation.
Step 6: Activity Projections

In the Activity Projections section, you will provide an overview of the total expected activities to be supported during the first year of funding support. Provide an estimate on the overall activities in this section that correspond to the detailed activities you will provide throughout the year. Do not provide a detailed list of each and every expected activity that would constitute a completed Scope of Work. If selected for funding, applicants will be required to translate their Activity Projections into a detailed Scope of Work and set of specific activities prior to entering into contract with the City of Oakland.

The activity types that are available are dependent upon the OFCY funding strategy selected. There are four activity types that are available:

- **Individual Activities**
- **Group Activities**
- **Consultation Hours**
- **Internships and Employment**

Select the appropriate type of activity based on your services. For each activity category, you will be able to enter one or more activities.

**Example:** A program proposes to provide summer camp for four weeks for 100 students. Each day the program provides youth with three hours of arts and enrichment, and three hours of academic programming. Select “Group Activities” and complete one activity to capture the arts and enrichment programming, and a second activity to capture the academic programming.

For **Individual** and **Group Activities**, you will be required to provide the following information:

- **Activity Name**
- **Activity Category**
  - Select the most appropriate activity category from the drop-down list.
- **# of Sessions by quarter**
  - Enter the number of sessions that this activity is projected to occur by quarter. The quarters follow the City of Oakland’s fiscal year July 1st – June 30th. For programs operating solely in summer, the system will prompt you to complete the # of Sessions for June, July and August.
- **Average # of Participants per session**
  - Project the number of youth expected to be present per session on average.
- **Average Length of Session (hours)**
  - Project the average length of each activity session. Make sure to project out in hours, not minutes. For example, a 30-minute session should be entered as 0.5.
- **Service Description**
  - Provide a short summary of the activity to provide information on the type of activity proposed.

**Note:** The Service Hours per activity will auto-calculate based on your projected number of participants, number of sessions, and length of sessions.

\[
\text{Service Hours} = (\# \text{ of participants}) \times (\# \text{ of sessions}) \times (\text{average hours per session}).
\]
PROGRAM ACTIVITIES CATEGORY

Select the most appropriate category for each of your Individual and Group activities.

- Academics – includes literacy, math, STEM and STEAM programming
- Arts, Dance, Music and Culture
- College and Career Readiness
- Community Building
- Early Learning
- Family Engagement and Parent Education
- Field Trips
- Health Education and Wellness – includes gardening, cooking and nutrition
- Internships and Employment
- Leadership and Civic Engagement – includes community service
- Sports and Recreation
- Supportive Services – includes mental health services, case management, mentoring, resource referrals, legal services, housing support, restorative justice

CONSULTATION HOURS ACTIVITY

Programs applying through the Social Emotional Well-Being in Early Childhood Education Settings funding strategy will project services through Consultation Hours. The Consultation Hours activity type will capture projections of hours of service to be provided for each identified service site. To complete an activity, you will provide the following information:

- **Site Name**
  - Provide the name of the early childhood setting location. Provide a clear name for the site (do not use acronyms).

- **Projected Consultation Hours by Quarter**
  - Enter the projected number of consultation hours that will be provided at the Site location during each quarter. The quarters follow the City of Oakland’s fiscal year July 1st – June 30th.
    - Q1 – July, August, September
    - Q2 – October, November, December
    - Q3 – January, February, March
    - Q4 – April, May, June

- **Service Description**
  - Provide a short summary describing the activity to provide information on the type of activity proposed. If there are collaborative partners or subcontractors, please specify in the service description the agency that will be providing the services for the activity.
INTERNSHIPS AND EMPLOYMENT

Programs applying through the Career Awareness and Employment Support funding strategy will be able to project services through the Internships and Employment activity type in addition to projections of Individual or Group activities. Create a separate Internship and Employment activity for each unique wage or stipend amount projected. Do NOT enter a range for hourly wage or stipend amount. These activities should align with the information entered in the Budget under Youth Wages and Stipends.

Example: Program XYZ is applying for funding to support 50 youth in internships. 25 youth will earn an hourly wage of $15/hour, and 25 youth will be placed in employment earning $17.50/hour. Program XYZ will create one Internship and Employment activity for 25 youth at $15/hour, and a second Internship and Employment activity for 25 youth at $17.50/hour, for a total of two Internship and Employment activities for the full 50 youth.

To complete an activity, provide the following information:

- **Activity Name**
  - Provide a short name to describe the activity.

- **Projected # of Hours per Quarter**
  - Enter the projected number of internship and employment hours for all participants by quarter. The quarters follow the City of Oakland’s fiscal year July 1st – June 30th.
    - Q1 – July, August, September
    - Q2 – October, November, December
    - Q3 – January, February, March
    - Q4 – April, May, June

- **# of Participants**
  - Provide the number of youth participants participating in the specific activity.

- **Length of Internship or Employment per youth (hours)**
  - Provide an estimate of the total number of hours that a participant is expected to complete in an internship or employment during the year.

- **Amount of Stipend or Hourly Wage**
  - Provide the hourly wage or stipend amount that each participant will receive.

- **Service Description**
  - Provide a short summary describing the activity to provide information on the type of activity proposed.
SERVICE LOCATIONS

To complete the Activities Projections, provide information on the service site location. If your program is operating at multiple locations, provide information for each program site location. Do not include service site locations where only brief activities will take place, such as field trips or showcase event locations.

For each Service Location, provide the following information:

- **Location Name**: Provide a clear name for the site (do not use acronyms).
- **Address**: Including Street Address, City, and ZIP code.
  - **Note**: OFCY uses this information to inform the Planning and Oversight Committee and Oakland City Council of potential program locations and to determine locations of services throughout the city of Oakland. Please be sure to include accurate information in this section to be able to map potential service locations.
- **Oakland City Council District**: Provide the Oakland City Council district. To find the Council District of your site location, visit: [http://gisapps.mapoakland.com/councildistricts/](http://gisapps.mapoakland.com/councildistricts/)
- **Type of Site**: Select from the drop-down list the most appropriate category for the proposed service site location.
Step 7: Budget

The program budget is an important component of your proposal that should be clearly linked to support the proposed program, with reasonable and justifiable expenses for staffing and program costs. The budget proposed should be an appropriate and accurate projection of the program expenses for one program year: FY2019-2020 (July 1 2019 to June 30 2020). Summer programs should project a three-month budget from June 1 2019 to August 30 2019).

This section also allows you to show the cost effectiveness of your program and demonstrate how you will leverage other funds for the programs you are proposing. This online budget should be reflective of what was written in the Narrative section and your proposed Activities.

The budget section is organized in three columns:

- **Total Program Budget**
  - The total cost of funding a line item to operate the proposed program.
- **OFCY Funds Requested**
  - The portion of the total program cost for which you are requesting OFCY funds.
- **Projected Match**
  - This column is auto-calculated by the formula:
    - Total Program Budget \(\) OFCY Funds Requested \(=\) Projected Match
  - If awarded, grantees must provide detail on how this projected match was achieved annually. Each budget must have matching funds of at least 25% of OFCY Funds Requested.

Provide a narrative justification for each line item in the budget. In general, each **Budget Justification and Calculation** statement should describe, in as much detail as required for clarity, what the specific item is and how the amount shown in the budget was calculated, and why the specific item is important to the program.

**DIRECT COSTS**

**PERSONNEL**

Please list all direct service staff including line staff, supervisory staff that supervises line staff, and support/clerical staff that work directly on the proposed program.

- Create a separate line item for **EACH** individual staff working directly on the program including Lead Agency Position, First Name, Last Name, Total Annual Salary/Wages.
- Please list all direct program staff responsible for the success of the project, even if their salaries or wages are being covered by other matching funds, and not OFCY funds. This will help OFCY better understand the total cost of operating your program.
- Do not include administrative staff not providing direct supervision of line staff, subcontractors, interns, or volunteers.
FRINGE AND BENEFITS
This line item represents benefits (health, dental, retirement, etc.) as well as mandatory employment costs such as FICA, Social Security, SDI, and unemployment taxes. Enter in a numerical total for all fringe benefit costs paid by OFCY and by your match. The total fringe amount is only for those personnel receiving benefits from your agency. In the **Budget Justification and Calculation**, provide a clear response of how your agency is calculating the Fringe and Benefits.

OTHER DIRECT COSTS
All items listed must directly benefit and support the operation of the proposed program. Direct costs that support the program include:

**Equipment/Furniture**
- Durable goods such as computers and furniture.

**Facility Rental**
- Pro-rated costs of space rental, utilities, building maintenance and other occupancy costs.

**Food**
- Meals, snacks and food for regular programming and special events.

**General Office Supplies**
- Paper, pens, toner, and other reasonable office supply expenses.

**Participant Incentives**
- Monies or other non-cash incentives, such as gift certificates, provided to a program participant as a reward for completing a program or achieving a programmatic milestone. Detail how many participants are projected to receive incentives, amount of incentive, and the reason for receiving the incentive.

**Professional Development**
- Please justify how you intend to use this amount in the narrative text box to support the professional development and training of your direct service staff.

**Program Supplies**
- Art supplies, workbooks, sports equipment, and other reasonable program supply expenses that are required for the proposed program.

**Telephone/Internet/Communications**
- May include mobile phone, telephone, internet and postage. Please be specific on how this cost was calculated and how it relates to the proposed program.

**Travel/Transportation**
- This item includes expenses for field trips and access to programs. The basis for the calculation as well as the purpose for all travel should be provided. Travel expenses for staff are allowed when directly benefiting children and youth. Funds cannot be used for travel to trainings or professional development conferences. Local travel estimates should be based on your organization’s current policies, for example, 55.5 cents per mile or for AC Transit or BART. Any non-local travel needs to be carefully itemized and justified.
**YOUTH WAGES AND STIPENDS**

**Youth Wages**
This line item is for programs that offer youth an hourly wage or stipend for internships or employment experiences. Please enter a separate line item for each unique hourly wage. Do **NOT** enter a range for wages. Provide a description of what the employment is and how the cost was calculated.

**Youth Wages Fringe**
- Enter the total amount of fringe benefits associated with employing youth including any benefits youth may receive and mandatory employment costs such as FICA, SDI, and UI.

**Youth Stipends**
Stipends are used to support youth participants enrolled in your program in limited duration work experiences and internships. Please enter a separate line item for each unique stipend profile and stipend amount. Do **NOT** enter a stipend range. Provide a description of what the internship is and how the cost was calculated. Do **NOT** include incentives for program participation in this line item. These should be included in the line item **Participant Incentives** under Other Direct Costs.

**ADMINISTRATIVE/INDIRECT COSTS**

Administrative/Indirect costs by applicant designation are:

- **Single Agency:** Up to a total of 15% of total grant request may be requested.
- **Collaborative Applicants:** Up to a total of 15% of total grant request may be requested.
- **Small & Emerging:** Up to a total of 20% of total grant request may be requested.

Administrative/ indirect costs cannot exceed the limits stated above, including subcontractors.

Examples of allowable expenses in the administrative/indirect line item include: audit, bookkeeping, payroll/finance, facilities maintenance, fiscal sponsor costs, insurance, rent, storage, utilities, and allocated personnel costs (Executive Director’s time or any other staff who works minimally on the funded program).

**Example:** Indirect Costs are calculated as a percentage of the total OFCY Funds requested. A Single Agency applicant can request up to 15% of the total grant as **Indirect Costs**. If the agency applies for a grant requesting $100,000 from OFCY, the maximum indirect costs that can be requested is $15,000.
SUBCONTRACTORS

Subcontractors are described as organizations or individuals/sole proprietors that provide specialized services to target populations to help enhance your programs. Each subcontractor must operate under a signed contract, MOU, or Letter of Agreement (LOA).

Any potential changes in subcontractors, scopes of work and budgets should be brought to OFCY’s attention before implementation. Subcontractors should meet the same contracting requirements of the City of Oakland that are required of lead contracting agency. When there is a subcontractor in the contract, it is the legal obligation of the lead agency to monitor the subcontractor’s progress and to ensure accountability. However, OFCY staff has the right to conduct file reviews of subcontractor agencies and program observations of the subcontractor.

For this section, you will list the organization or individual name of each subcontractor or consultant. For each and every subcontractor, enter a line item budget using the same guidelines as the lead applicant budget.
**Step 8: Proposal Submission & Signoff**

The final step to complete your online proposal is to click “Submit” for each form. Please review the elements of your application including all uploads. OFCY recommends that you wait until the entire application is complete before submitting each form. Once you submit, you will not be able to edit any of your work. If for any reason you need your submitted form unlocked, please contact Cityspan Help Desk at 1-866-469-6884.

After all the forms are submitted, enter the **Proposal Signoff** form for the final confirmation of submission for your proposal. The form requires the applicant to verify the following:

- I understand that by clicking ‘Submit’, I am submitting this proposal to OFCY for review and may only edit the proposal by contacting the Cityspan help desk before the proposal submission deadline. I verify that all information in this proposal is accurate, that I have read all RFP sections related to this strategy, and that I have carefully reviewed all parts of my proposal before submitting.

Once you click “Submit”, your application will be submitted to OFCY. Cityspan will generate a **Receipt of Submission** to verify proof of submission, which will include your Agency Name, Program Name, and the date and time of your submission. Save the PDF copy of your receipt for your records and to attach with forms to be submitted to the Office of Contracts & Compliance as part of the final step in your submission: **Step 9: Required Schedules and Additional Preference Points**.

**ONLINE PROPOSAL DUE: JANUARY 25, 2019, BY 5:00 P.M.**

You must have completed and submitted all Cityspan forms and uploads by 5:00 p.m., January 25, 2019. Cityspan will not accept proposals after 5:00 p.m. on January 25, 2019. This will be strictly enforced. **We strongly encourage you not wait until the last minute to submit your proposal to avoid any unforeseen technical issues.**

**All proposals must be submitted online through the Cityspan system. Proposals that are mailed, e-mailed, or faxed will not be accepted.**
CITY OF OAKLAND/ OAKLAND FUND FOR CHILDREN AND YOUTH RIGHTS AND RESERVATIONS

By submitting a proposal, an applicant authorizes OFCY to verify any information the proposal contains. At any time before a contract is issued, OFCY may conduct site visits, interviews, and/or undertake other means to verify applicants’ provision of services before making a final determination of grant awards. OFCY has the right to disqualify applicants whose proposals present false, inaccurate, or incorrect information or are incomplete in any fashion.

Once a final award is made, all RFP responses, except financial and proprietary information, become a matter of public record and shall be regarded by the City as public records. To withhold financial and proprietary information, please label each page as "confidential" or "proprietary". Although a document may be labeled "confidential" or "proprietary", information is still subject to disclosure under the Public Records Act or Sunshine Ordinance, and is, at the City’s discretion, based on the potential impact of the public’s interests whether or not to disclose "confidential" or "proprietary" information. The City shall not in any way be liable or responsible for the disclosure of any such records or portions thereof if the disclosure is made pursuant to a request under the Public Records Act or the City of Oakland Sunshine Ordinance.

If an inadequate number of proposals is received or the proposals received are deemed nonresponsive, not qualified, or not cost effective, the City may at its sole discretion reissue the RFP.
Step 9: Required Schedules and Additional Preference Points

Once you have completed and submitted your proposal through Cityspan, there are three additional City Schedules required of all applicants seeking funding from the City of Oakland, as well as an option to seek additional preference points. This section provides guidance on completing and submitting the required and optional schedules to the City of Oakland – Contract Compliance Division for their review. Please note that these documents need to be delivered in-person, and will not be accepted by mail or electronically via email.

REQUIRED SCHEDULES

The City of Oakland requires all contractors to fill out several forms to ensure they are in compliance with a variety of ordinances and laws. The following forms are required at submission and can be accessed through links provided in Appendix B: Stand Alone Schedules Required with Proposal:

- **Schedule E**: Project Consultant Team
- **Schedule O**: Campaign Contribution Limits
- **Schedule W**: Border Wall Prohibition Form

Submit Schedules E, O and W by the due date of **Monday, January 28th, 2019 by 5:00 p.m.** to the City of Oakland, Contracts & Compliance Division. Hard copies of the schedules must be hand-delivered to the Contracts & Compliance Division:

Contracts & Compliance Division  
250 Frank H Ogawa Plaza  
3rd Floor, Suite 3341  
Oakland CA 94612  
Re: OFCY RFP 2019-2022 – Schedules E, O, W

You must submit schedules E, O, and W for each proposal submitted to OFCY. Provide a separate packet for each OFCY proposal submitted by your agency. To help ensure your submissions can be matched to your online proposal, include the PDF receipt verifying your submission from Cityspan through the **Proposal Signoff**. This receipt is critical to matching your submissions to Contracts & Compliance Division to your proposal submitted via Cityspan.
ADDITIONAL OPTIONAL PREFERENCE POINTS

While not a requirement, applicants may receive preference points from the City of Oakland, Contract Compliance Division by receiving certification as a Local, Small and Very Small Local Business Enterprise (L/S/VSLBE). Additional Preference Points may also be earned for having an Oakland resident workforce. Refer to Appendix A, Section A:3:c-f on page 72 for more information, or refer to the Program Incentives information provided on the OFCY website at www.ofcy.org/funding-2/request-for-proposals/.

Applicants seeking additional preference points for having an Oakland resident workforce must submit a completed Schedule E-2 (“Oakland Workforce Verification Form”) by Tuesday, January 29th by 5:00pm (no more than 4 days after the proposal due date).

A copy of Schedule E-2 is available at www.oaklandca.gov/documents/schedule-e2-form

Submit Schedule E-2 and required documentation no later than Tuesday, January 29th by 5:00pm directly to the City of Oakland, Contracts & Compliance Division. Hard copies must be hand-delivered to the Contracts & Compliance Division:

Contracts & Compliance Division
250 Frank H Ogawa Plaza
3rd Floor, Suite 3341
Oakland CA 94612

You may submit one Schedule E-2 and documentation for your agency. If your agency is submitting multiple proposals, you will still only need to submit one copy of the Schedule E-2 and supporting documents in support of your agency.

To help ensure your submissions can be matched to your agency and online proposal(s), include the PDF receipt verifying your submission from Cityspan through the Proposal Signoff. If submitting Schedule E-2 and documentation in support of multiple proposals, include copies of the PDF receipt for each completed OFCY proposal submission. Providing the Cityspan receipt indicating proof of proposal submission is critical to matching your submissions to Contracts & Compliance Division to your proposal(s) submitted via Cityspan.

More information on the Contracts & Compliance Division, including office hours, can be accessed here: www.oaklandca.gov/departments/contracts-compliance.
V. Funding Recommendations, Appeals, and Contract Negotiation

Rejection of Proposal Elements

The City reserves the right to reject any or all proposals, whether or not minimum qualifications are met, and to modify, postpone, or cancel the RFP/RFQ without liability, obligation, or commitment to any party, firm, or organization. In addition, the City reserves the right to request and obtain additional information from any candidate submitting a proposal. **A proposal may be rejected for any of the following reasons:**

- Proposal received after designated time and date.
- Proposal not in compliance with the City of Oakland Local/Small Local Business Enterprise Program.
- Proposal not containing the required elements, exhibits, nor organized in the required format.
- Proposal considered not fully responsive to this RFP.

Proposal Review Process

OFCY staff will review proposal submissions to ensure that the required proposal elements have all been provided according to the directions included in this RFP by submission deadlines. Applications that are complete and comply with the RFP requirements will then be reviewed and scored by outside readers with expertise in early childhood and youth development programming. Reviewers will score proposals based on responses provided to the proposal narrative according to a 100-point scale. The average of reviewer scores will be used to provide a ranking of submissions by funding strategy. Optional preference points awarded by the Contract Compliance Division will be considered. Please see Step 9: Required Schedules and Additional Preference Points on page 66 for more information on applying for the additional preference points.

City of Oakland staff will provide the Planning and Oversight Committee (POC) with the average scores and ranking of proposals within each funding strategy to assist in their selection of programming. In addition to the ranking and scoring, the POC will make funding determinations with consideration to location of services, services to priority populations, strategic alignment, past performance, and reasonableness and feasibility of budget and activities. The POC will make their funding recommendations to support programming aligned with their vision, mission, values and strategic objectives as detailed in the 2019-2022 OFCY Strategic Investment Plan, and will then present their funding recommendations to Oakland City Council for approval and adoption.

**NOTE:** Additional Preference Points may be awarded by the City of Oakland – Contracts and Compliance Division. These points will be awarded above the 100-points scale and will be considered by the OFCY Planning and Oversight Committee (POC) in their funding determinations. Refer to **Appendix A, Section A3.3c-f on page 72**, and to the document **Program Incentives** at [www.ofcy.org/funding-2/request-for-proposals](http://www.ofcy.org/funding-2/request-for-proposals) for more information on how points are awarded.
The OFCY Planning and Oversight Committee (POC) will convene to approve funding decisions at their public monthly meeting in Spring 2019, and will subsequently forward the funding recommendations to the Oakland City Council for adoption. The POC meetings are held monthly on the first Wednesday of the month, and are hosted in Hearing Room #4 at Oakland City Hall, located at 1 Frank H. Ogawa Plaza. OFCY staff will email applicants with the funding decisions within three working days of the action. The POC will base funding recommendations upon the ranking of proposals according the point system described above for the narrative section of the proposal along with additional considerations and criteria, including but not limited to service location, service to priority populations, strategic alignment, past program performance and agency capacity, and reasonableness of budget and scope of services.

**Contract Negotiations**

An applicant recommended for funding should expect that OFCY staff will have recommendations for modifying Scopes of Work and Budgets. During contract negotiation, scopes of work and budgets will be reviewed in detail and negotiated as necessary to ensure that they meet the goals, objectives and policies of OFCY and the POC. Revisions to scopes of work include completing detailed activity projections and updating projected client demographics.

Should the City and the applicant not be able to reach an agreement as to the contract terms within a reasonable timeframe, the City may terminate the negotiations and begin negotiations with the next most qualified applicant within the funding strategy, as identified and selected by the Planning and Oversight Committee, and proceed down the list of qualified applicants as necessary until an agreement is reached or the list is exhausted.

All grantees must use the Cityspan online reporting system to report scope of work activities, demographics, budget, program activities, enrollment, attendance, and invoices. Grantees are also required to submit quarterly progress reports in a timely manner.

Appeals Process for Applicants Not Recommended

Any applicant may appeal the POC’s funding recommendations to an Appeals subcommittee. An appeal must be based on one or more of three criteria:

- **Unfair process** (e.g., the appellant’s proposal was treated differently than others)
- **Material error** (e.g., the appellant’s proposal was reviewed under the wrong funding strategy or some other mistake of fact occurred), or
- **Conflict of interest** potentially leading to financial gain by a POC member or reviewer or members of these individuals’ immediate families.

The appellant must clearly state the facts that establish one of these bases for appeal and how, as a result, the appellant’s proposal was affected negatively. *A substantive disagreement with the funding recommendations is not grounds for appeal.*

The deadline for filing an appeal is two weeks after the list of recommended programs is approved by the POC at their public meeting. Written appeals shall be hand delivered to the Manager of Children and Youth Services Division at the following address:

Sandra Taylor, Manager  
City of Oakland, Human Services Department

Appellants will receive written notice of the outcome of their appeal. In the event of one or more successful appeals, the POC will submit the successful appeal(s) as funding recommendations to the Oakland City Council, which has the authority to accept or reject the entire package.

A. GENERAL INFORMATION

1. The successful proposer selected for this service shall obtain or provide proof of having a current City of Oakland Business Tax Certificate.

2. The City Council reserves the right to reject any and all bids.

3. Local and Small Local Business Enterprise Program (L/SLBE)
   a) Requirement – For Professional Services, 50% Local and Small Local Business Enterprise Program (L/SLBE): there is a 50% minimum participation requirement for all professional services contracts over $50,000. Consultant status as an Oakland certified local or small local firm and subcontractor/subconsultant status as an Oakland certified local or small local firm are taken into account in the calculation. The requirement may be satisfied by a certified prime consultant and/or sub-consultant(s). A business must be certified by the City of Oakland in order to earn credit toward meeting the fifty percent requirement. The City has waived small local business enterprise (SLBE) subcontracting requirements for Oakland certified local businesses that apply for professional services contracts as the prime consultant with the City. The SLBE requirements still applies for non-certified LBEs and non-local business enterprises.
   b) Good Faith Effort - In light of the fifty percent requirement, good faith effort documentation is not necessary.
   c) Preference Points – Preference points are earned based on the level of participation proposed prior to the award of a contract. Upon satisfying the minimum fifty percent requirement, a consultant will earn two (2) preference points. Three additional preference points may be earned at a rate of one point for every additional ten percent participation up to eighty percent participation of the total contract dollars spent with local Oakland certified firms.
   d) A firm may earn up to five (5) preference points for local Oakland business participation and additional preference points for being a long term certified business in Oakland regardless of size and for having an Oakland workforce.
   e) In those instances where Very Small Local Business Enterprise (VSLBE) participation is evident, the level of participation will be double-counted towards meeting the requirement.
   f) Additional Preference Points for Request for Proposals (RFP) and Request for Qualifications (RFQ) may be earned for having an Oakland resident workforce. Prime consultants seeking additional preference points for having an Oakland resident workforce must submit a completed Schedule E-2 titled the “Oakland Workforce Verification Form” no more than 4 days after the proposal due date.

g) Earning extra preference points for having an existing work force that includes Oakland residents is considered added value. The Request for Proposal “evaluation” process allows for additional preference points over and above the number of points earned for technical expertise. Typically 100 points may be earned for the technical elements of the RFP. Preference points are awarded over and above the potential 100 points.

h) The Exit Report and Affidavit (ERA) – This report declares the level of participation achieved and will be used to calculate banked credits. The prime consultant must complete the Schedule F, Exit Report and Affidavit for, and have it executed by, each L/SLBE sub consultant and submitted to the Office of the City Administrator, Contracts and Compliance Unit, along with a copy of the final progress payment application.

i) Joint Venture and Mentor Protégé Agreements. If a prime contractor or prime consultant is able to develop a Joint Venture or “Mentor-Protégé” relationship with a certified LBE or SLBE, the mentor or Joint Venture partners will enjoy the benefit of credits against the participation requirement. In order to earn credit for Joint Venture or Mentor-Protégé relationships, the Agreement must be submitted for approval to the Office of the City Administrator, Contracts and Compliance Unit, prior to the project bid date for construction, and by proposal due date for professional services contracts. Joint Venture Applications and elements of City approved Mentor Protégé relation are available upon request.

j) Contractor shall submit information concerning the ownership and workforce composition of Contractor’s firm as well as its subcontractors and suppliers, by completing Schedule D, Ownership, Ethnicity, and Gender Questionnaire, and Schedule E, Project Consultant Team, attached and incorporated herein and made a part of this Agreement.

All contractors are required to provide data regarding the make-up of their subcontractors and agents who will perform City contracts, including the race and gender of each employee and/or contractor and his or her job title or function and the methodology used by Contractor to hire and/or contract with the individual or entity in question.

l) In the recruitment of subcontractors, the City of Oakland requires all contractors to undertake nondiscriminatory and equal outreach efforts, which include outreach to minorities and women-owned businesses as well as other segments of Oakland’s business community. The City Administrator will track the City’s MBE/WBE utilization to ensure the absence of unlawful discrimination on the basis of age, marital status,
religion, gender, sexual preference, race, creed, color, national origin, Acquired-Immune Deficiency Syndrome (AIDS), AIDS-Related Complex (ARC) or disability.
