

Support Documentation for OFCY Invoicing

OFCY requires grantees to upload supporting documentation for the following budget categories: Personnel, Subcontractors, and Youth Wages & Stipends. If grantees are requesting reimbursement in any of these categories in the Quarterly Progress Reports - Invoice, they must upload supporting documentation.

Personnel: Provide a payroll journal/ledger or report that shows the reimbursement period, total salary and fringe benefits for each staff person for the program, and the amount allocated to OFCY. The staff person's name identified in the payroll journal/ledger should match the name written in the invoice for the field **Name of Person currently in role above**.

Subcontractors: Provide copies of the subcontractor's invoices and the checks to show they have been paid. If only part of the expenditure is allocated to OFCY, indicate that amount on the invoice or receipt.

Youth Wages & Stipends:

- Wages – Provide a payroll journal/ledger or report that shows the reimbursement period, total wages and fringe benefits for each youth participant and the amount allocated to OFCY.
- Stipends – Provide checks for each youth that received a stipend in the invoice period. If only part of the expenditure is allocated to OFCY, indicate that amount.

Uploading Supporting Documents in Quarterly Invoice

At the bottom of the Quarterly Progress Report – Invoice in Cityspan, there will be a section called **Supporting Documentation** where grantees will be able to upload a single file. All supporting documentation should be consolidated into one PDF file.

Uploading supporting documentation is required before grantees can submit the invoice. In the unlikely case that there are no requests for reimbursement in any of the aforementioned categories, grantees can upload a simple document stating "Not Applicable".
